

Cascada, Wouldn't It Be Good

Remember the day
There was a sign
It was the time
To take me away to your arms

I heard your voice you called my name
A single touch
Would stop my pain
I feel like you in everything I do

Wouldn't it be good to be in your shoes
Even if it was for just one day
Wouldn't it be good if we could wish ourselves away

Wouldn't it be good to be on your side
Grass is always greener over there
Wouldn't it be good if we could live without a care

The times passing by
I feel like you
I always do
You're my place to hide
I don't know why
Still hear your voice
Still feel the same
A single kiss can stop the rain
So close to you in everything I do

Wouldn't it be good to be in your shoes
Even if it was for just one day
Wouldn't it be good if we could wish ourselves away

Wouldn't it be good to be on your side
Grass is always greener over there
Wouldn't it be good if we could live without a care

Wouldn't it be good to be in your shoes
Even if it was for just one day
Wouldn't it be good if we could wish ourselves away
