

Case, Cryin' Over Time

It's another sleepless night
With out you girl
Things didn't turn out right
Time to move on

Everynight the tears fall from my eyes
To wash away the loneliness
Long after your tears have dried
I'll be crying over time over time (hmmmm)

Life just seems so cold
With a lonley heart
It's so hard to let go
Of this love that I feel for you

For everynight the tears fall from my eyes
To wash away the loneliness
Until I get you off my mind
I'll be crying over time (hmmmm)

See I'm down on my knees
And I'm lonely (mmm)
I need you to come back to me

Everynight the tears fall from my eyes
To wash away the loneliness
Until I get you off my mind
I'll be crying
Oooooooooo (heeeeeeww)

Can you see what its doing to me
You've got me crying overtime

Hold me closesly baby
I'm so sorry I'm so sorry
See its come down to this
I'm down on my knees begging you
And I'm crying over time

Said I need you
Said I want you
I'm crying over time
Over time I'm crying (hmhm)
What do I got to do

Everynight that I cry too much to hide
I'm so sad I'll be crying over time
