

# Case, Don't Be Afraid

Oh, oh, baby  
Don't be afraid

Sitting here just thinking about you  
Wonder what I'd do without you  
You're all I need  
Thinking about you all the time  
Always have you on my mind  
You set me free, baby

Don't be afraid of loving me, baby  
(Don't be afraid, baby)  
Cuz I won't be afraid of love, we can work it out  
(Girl, I know without a doubt)

Baby if you ever leave  
You would take a part of me  
You're all I need  
Wondering if you wanna stay  
Baby I just got to say  
That girl you know that I need you, babe

Baby you know that I need you here  
Lying next to me  
Cuz that's where you should be  
And you know that I'd do anything  
To have you in my life again, girl

Don't be afraid of loving me, baby  
(Oh lady, don't be afraid of loving me baby)  
Cuz I won't be afraid of love we can work it out  
(Girl, I know without a doubt)

Don't be afraid of loving me, baby  
(Don't be afraid of loving me my little baby  
oh I know you care so believe in me)  
Cuz I won't be afraid of love we can work it out  
(I'll never hurt you baby, I'll never hurt you baby  
I'll never break your pretty heart)  
You're all I need my everything  
(You ain't gotta worry, you can trust me baby)  
Baby don't you be afraid  
(I'll always love you baby)  
You're all I need my everything  
Baby don't you be afraid  
(I'm not afraid to go all the way baby)

Don't be afraid of loving me baby  
(You're my everything, you can count on me, count on me baby)  
Cuz I won't be afraid of love, we can work it out  
(I ain't afraid, no no no no no no no no no no, oh no)  
[Ad lib until fade]
