

# Case, Personal Conversation (Interlude)

Oooh  
Yeaaaah  
I just want to get personal with you, babe  
Yeah, yeah, yeah  
Heeyyyyyyyyyeeaaaahhh  
Are you lonely, pretty baby?

All you gotta do is tell me  
Are you lonely?  
Shoot, late at night, I get to thinking about you  
Make a tear fall down my face  
I only wish that you, wish that you could be here  
Ooohhh!
