

Case, Touch Me, Tease Me (Radio Edition)

You're the only one for me
You're the only one I need
Can't nobody make me feel
The way you're making me feel
And girl you know this love is real

[1] - Touch me, tease me
Feel me and caress me
Hold on tight and don't let go
Baby I'm about to explode
Cuz all my love you can control

I'll spend the night with you
If you promise you will do
All the things to make me scream
And you know just what I mean
Cuz tonight you taste like ice cream

I wanna make you fall in love
Make you touch the stars above
Please lay low and be my friend
I'll come back and hit it again
And again, and again, and again
Don't go away
