

# Casely, Emotional

[Verse 1:]

Damn Somebody Tell Me Why The First Girl I See When I Walk Up In The Club Her  
NiggA You Told Me That You Was Gon Make Sure I Wasn't Gona See This Girl  
No Not Tonight, I Wanted To Give It Time, I Wanted Her Out My Mind  
Now It's Too Late To Leave

Damn, I Wonder Who That Is She's Talking To... He Put The Drink Down Now He's Makin A Move,  
And Just Like A Fool I'm Watchin Her  
Tryna Make My Eyes Deter

But I can't Stop Watchin I'm Watchin  
Said I Can't Stop Watchin, I'm Watchin

[Pre Chorus:]

Now The Only Thing I Feel Inside Of My Chest Is All This Regret  
I Never Should Of Let You Go, Why'd I Let You Go,  
This Situation Is Under My Skin  
There's A War Goin On Within

[Chorus:]

This Is How I Feel Everytime I'm Around You  
I Just Lose Control When I'm In The Same Room  
I Get So, I'm Sooo  
Emotional, Emotional, Emotional

[Repeat]

[Verse 2:]

So What should I Think?  
Yhu jus Rolled Up, Like yhu Do It On Dubs  
Show me What It Is, Make me Miss our Love  
Yea Reminisce On Us  
Look At u Stressin, So Caught Up  
So Learn ur Lesson, u Realize  
(But Now it's juss Too Late)  
Cause I Just Wrapped His Hands Around my Slim Waist  
That was ur Waist  
Please Don't say I'm Dancing The Same Way  
I Danced With u  
Cuz Man That Could Never Be  
That's What I Said To u  
That's Why it's So Hard 4 u To Believe

[Pre Chorus:]

Now The Only Thing u Feel Inside Of ur Chest Is All That Regret  
U Never Should Of Let me Go, Why'd u Let me Go,  
This Situation Is Under ur Skin  
There's A War Goin On Within

[Bridge:]

Hey Girl, Didn't See Ya Standin There it's Been A  
Long Time, it's Feelin Really Good To See Your Smile  
(Every Once In A While) I'm Thinkin Of You And Me- E  
But Life Is Good I'm Free-E Yea  
Wait! Baby I'm Frontin Honestly I Made A Big Mistake  
I'm Struggling With Reality, It Hurts More Everyday  
I Been Blaming You For Makin Me Feel This Way  
And Now I'm Crushed Without Your Love
