

# Cash Cash, Two Days Old

So Im to blame  
The reason why you left him a mess and without asigh  
He was first I was next but enough to make you leave his side  
But do you know?  
do you know what happens next?  
As hes torn apart left thinking  
she got on a plane and their miles apart  
Dug a little hole then she buried his heart  
With the one she trusts, and their on the run  
Tears fall like the rain  
I feel a little bad when think of the pain  
That you put him through  
Am I such a fool such a fool?  
Yea here we are, and every line I say seems to come  
out right on time Its a first  
none the less just enough to keep  
you where you are  
But will it change?  
Will I be the next one hurt?  
or the next one to complain  
that she got  
On a plane and their miles apart  
Dug a little hole then she buried his heart  
With the one she trusts, and their on the run  
Tears fall like the rain  
I feel it pretty bad when I think of the pain  
That you put me through, am Im such a fool?  
Shell move on, what is she waiting for?  
She got on a plane and their miles apart  
Dug a little hole then she buried his heart  
With the one she trusts, and their on the run  
Tears fall like the rain  
I feel it pretty bad when I think of the pain  
That you put me through, am Im such a fool?  
So what am I waiting for?  
Yea when she keeps running, she keeps running.  
Shes moved on, shes moved on
