

# Cashless, High Above You

I know you're telling lies about me  
But a lie never lives to get old  
They soon die alone and cold  
They all die alone  
And every time I turn my back on you  
You tell stories that ain't true  
You spread your dirt  
Just to be heard,  
but you'll never bring me down  
You can't bring me down  
No matter how hard you try  
I'll always keep my head held high  
High above you, no matter what you say or do  
(I'll always keep it high above you)  
And all those words don't affect me  
No, i don't give a shit  
I keep on doing what I love  
I keep on going my own way  
every time...
