

Cashless, Lights Out

Hey, tell me what you're waiting for
Is there something to see?
Yeah, I know, you're waiting for me
You're waiting for me to fail, to stumble and fall
But I'll never give up, yeah I carry on
You don't like what I do, but that is ok
Well, I don't give a fuck anyway
Cause I know and I do what I want
Lights out, Spotlight is on
I'm ready to fall, I'm ready to fall
I'm so bored of all this talking
What's punk and what's not?
Who cares? Well, I don't give a fuck
It don't matter to me and who knows at all
Before I lie to myself I take the fall
How can you be free?
Did you forget about the power of unity?
Did you forget about...Break free!
Lights out, Spotlight is on
I'm ready to fall, I'm ready to fall
Lights out, Spotlight is on
I'm ready to fall, I'm ready to fall
