

Cashless, Tame

today is something different
it's not about being free
the air is filled with desperation
and you suck here with me
today it's something different
i don't know what it is
it seems that all my passion
fades away with every kiss
and all i wanna do
is getting home with any wave
cause i got a lot of bills
and now it's time for you to pay
hey yeah!
it seems that i am stranded here
and the person i should blame
is oh so tame
hey yeah!
i think i'm running out of tears
and the person i should blame
is oh so tame
