

# Cashmere Cat, Adore (ft. Ariana Grande)

Boy so what's been on your mind?  
For me it's just you all the time  
We don't need to go nowhere tonight  
It's you and I, we'll be alright  
'Cause here we get to take our time  
You, you're finer than some wine  
We don't need to go nowhere tonight  
It's you and I, we'll be alright

I'll give you everything (I'll give you everything)  
I'll give you everything (I'll give you everything)  
You don't owe me anything  
So are you ready, baby?

[Chorus]  
You got me screaming,  
My my my ma-ma my my  
You got me screaming,  
My my my ma-ma my my  
And then I'm like, oh, your love  
My my my my my  
And then I'm like, oh, yeah yeah  
Cause your love I adore

After that, when you catch your breath  
You look at me and say  
Love, are you real?  
Just don't pretend, you're just a friend

I'll give you everything (I'll give you everything)  
I'll give you everything (I'll give you everything)  
You don't owe me anything  
So are you ready, baby?

[Chorus]  
You got me screaming,  
My my my ma-ma my my  
You got me screaming,  
My my my ma-ma my my  
And then I'm like, oh, your love  
My my my my my  
And then I'm like, oh, yeah yeah  
Cause your love I adore

Just don't pretend you're just a friend  
Don't pretend you're just a friend  
Don't pretend you're just a friend  
Boy

[Chorus]  
You got me screaming,  
My my my ma-ma my my  
You got me screaming,  
My my my ma-ma my my  
And then I'm like, oh, your love  
My my my my my  
And then I'm like, oh, yeah yeah  
Cause your love I adore
