

Caskey, Don't Post Us On The Internet

all yall do is post on the internet
im ghost im not into that
so rich off my intellect
im never going into debt
my rolls i just tinted that
ride around like men in black
we on go dont get attached
dont post us on the internet

look whos laughing now (x8)

knife on me led to suspension
big gun no red dem redemption
drawing skulls all on my binder
in highschool was in detention
teacher told me i wasnt gone be shit
so dont be pretentious
some you got to tell em bout
and some wins you dont need to mention
i sold everything from a to z
police probaby mad they cant come
take these wins away from me
rappers mad they doing shows for free
im who they pay to see
what you doing?
getting money and dodging agencies
