

Cassidy, My Drink N' My 2 Step

(feat. Swizz Beatz)

[Swizz]

On... on... on...

HEYYYYYY~!

[Chorus: Swizz Beatz (Cassidy)]

I got my drink and my two step, my drink and my two step

Got my drink and my two step, my drink and my two step

It's on! It's on, it's on (and I'm home)

(Get the Patron and tell 'em that it's on)

I got my drink and my two step, my drink and my two step

Got my drink and my two step, my drink and my two step

It's on! It's on, it's on (and I'm home)

(Get the Patron and TELL 'EM THAT IT'S ON)

[Cassidy (Swizz)]

I got my drink and my dutchie, I just beat a murder

People think that I'm lucky, my link lookin husky

Big stones, it's on, it's on, the kid home

Get the Patron, and tell 'em that it's on

Put the smoke in the air and get stoned

The whip sittin on two-sixes, the lip's chromed

My money used to be immature now my shit grown

Big wheels, big homes, I'm doin it big homes

(Now it's on! It's on, it's on) the kid home

Get the Patron, and tell 'em that it's on

I do my two step, and let the link swing

Hold the drink with the left hand to show the pink' ring

[Chorus]

[Cassidy]

Aiyyo they wanna be like me, recreate my flow

Imitate my flow, then relate my flow

But while they try an' take my flow I make my dough

Aiyyo I can make it rain cause I be makin it snow

But yo, I've been takin it slow, I wasn't around

But the car crash couldn't lay the hustler down, nah

I'm still here f'real I'm still here

It wasn't lookin pretty but Swizzy I'm still here

They said I coulda been braindead in a wheelchair

But I'm standin in the booth and the skills are still here

Yeah, the hustler home, the hustler home

Let's celebrate a toast with a cup of Patron

[Chorus]

[Cassidy]

Yeah yeah put your dutch in the air

Smoke haze, let the smoke raise up in the air

You mighta seen me in the 'ghini at a couple affairs

The engine in the trunk, the doors go up in the air

Yeah, and I be gone for a couple of years

I done sweat, I done bled, shed a couple of tears

I ain't stressin, it's a blessin that the hustler here

Let's celebrate a toast, put your cup in the air

YEAH~!

[Chorus]
