

# Cassie, Do It

Ha-ha yeah

Is a track masters exclusive (you know)

Jackie poet, lets go!

First verse

You should know, you dont know me

You think I cant handle whats in front of me

I found a balance ready to roll

While Im out, Gunna lose control

2nd verse

Oh baby, wondering whats your problem

Why you standing there all alone (alone)

Yes baby, if you wanna rock with me

Just get in my mix on the floor, on the floor

Chorus

Look I just started you better come close to me

Got me more than naughty, so what are you Gunna do?

You better do it to me; you gotta do it to me,

You better do it to me; you gotta do it to me

3rd verse

I know your secret; you wanna take a shot at me

But heres what got yah (got yah)

I already know what you want oh

Take me to the next level

Oh baby, wondering whats your problem

Why you standing there all alone (alone)

Yes baby, if you wanna rock with me

Just get in my mix on the floor, on the floor

Chorus

Look I just started you better come close to me

Got me more than naughty, so what are you Gunna do?

You better do it to me; you gotta do it to me,

You better do it to me; you gotta do it to me

4th verse

I know your secret; you wanna take a shot at me

But heres what got yah (got yah)

I already know what you want oh

Take me to the next level

Oh baby, wondering whats your problem

Why you standing there all alone (alone)

Yes baby, if you wanna rock with me

Just get in my mix on the floor, on the floor (x3)
