

# Cassie, It is You

Im lookin for a lover not a friend  
Somebody who can be There  
When I need someone 2 talk 2  
Im looking for someone Who wont pretend  
Somebody not afraid to say the way  
they feel about You

Chorus :

and Im looking for someone  
Who understands how I feel  
Someone who can keep Me real  
And who knows always  
Baby I like to have You in my way  
And Im looking for someone  
Who takes Me there  
Wants to share, shows he cares  
Thinking on the One that Ive been wating for  
Is it You? Is it You?  
Maybe Youre the one Ive been wating for□□2x  
Could You be the one for Me ?  
Could You be the One I need?  
Im looking for the someone to share My pain  
Someone who I can run to  
Who would stay with Me when it rains  
Someone who I can cry with through the night  
Someone who I can trust whos hardest right  
And Im looking for someone

Chours :

and Im looking for someone  
Who understands how I feel  
Someone who can keep Me real  
And who knows always  
Baby I like to have You in my way  
And Im looking for someone  
Who takes Me there  
Wants to share, shows he cares  
Thinking on the One that Ive been wating for  
Is it You? Is it You?  
Maybe Youre the one Ive been wating for□□2x
