

# Cast, Four Walls

These four walls are destined to stay  
They say I'm guilty and the guilty must pay  
But all I'm askin' is to have a my say  
Do you think I'll ever get out

Will I ever get out of here  
Will I ever push down my fear  
Will I ever see through my tears  
Will I ever get out of here tonight  
The sands of time them fallin' right through my hand  
Can't make no sense and I can't make no plans

All I'm askin' is to lend me your hand  
Come on and help me get out

Will I ever get out of here  
Will I ever push down my fear  
Will I ever see through my tears  
Will I ever get out of here tonight

Will I ever get out of here  
Will I ever push down my fear  
Will I ever see through my tears  
Will I ever get out of here tonight  
So at last I'm feeling the pain  
Can't take the weight and I can't take the strain  
Can't see no future and I can't see no gain  
Looks like we never get out

Will I ever get out of here  
Will I ever push down my fear  
Will I ever see through my tears  
Will I ever get out of here tonight  
Well I guess I'll never know  
I guess I'll never know, I guess I'll never know  
Am I free, am I free to go  
Well I guess I'll never know  
I guess I'll never know, I guess I'll never know  
Am I free, am I free to go  
Am I free, am I free to go  
I don't know
