

# Cast, Free Me

You're a loser  
    An abomination in the eyes of any sensitive man  
And you're a blind alley cruiser  
    Always heading down a losing strait  
    Dreaming that you're screaming at fate  
    You're a dead end dead beat nowhere mister  
    With a kiss like a Mississippi alligator's sister  
I took as much of you as any man can!  
    You've lost your heart  
You've lost your cause  
You lost your baby when you lost your balls!  
    You've lost your mind  
    You've lost your grip  
    So say bye-bye!  
We lost our Mom  
    We lost our Dad  
    And if I'm losing you  
    Well that's too bad  
Well the best thing you could ever do is die.  
You're a failure  
    A malformation in the guise of many  
    An also-ran  
And yo  
u're a weeper and a whiner  
    Always treading on the toes of the great  
    Generally spreading your weight  
    You're a spiteful, hateful, asinine creature  
    A pupil with no scruples who knew better than the teacher  
I took as much of yo  
u as any man can!  
You've lost your heart  
You've lost your cause  
You lost your baby when you lost your balls!  
    You lost your mind  
    When you lost your grip  
    So say bye-bye!  
We've lost our home  
    Our family  
    You've lost compassion  
    Now you're losing me.  
Well the best thing you could ever do is die.  
Well the best thing you could ever do is die.  
Well the best thing you could ever do is die.
