

# Cast, Free Me

You're a loser

An abomination in the eyes of any sensitive man

And you're a blind alley cruiser

Always heading down a losing strait

Dreaming that you're screaming at fate

You're a dead end dead beat nowhere mister

With a kiss like a Mississippi alligator's sister

I took as much of you as any man can!

You've lost your heart

You've lost your cause

You lost your baby when you lost your balls!

You've lost your mind

You've lost your grip

So say bye-bye!

We lost our Mom

We lost our Dad

And if I'm losing you

Well that's too bad

Well the best thing you could ever do is die.

You're a failure

A malformation in the guise of many

An also-ran

And yo

u're a weeper and a whiner

Always treading on the toes of the great

Generally spreading your weight

You're a spiteful, hateful, asinine creature

A pupil with no scruples who knew better than the teacher

I took as much of yo

u as any man can!

You've lost your heart

You've lost your cause

You lost your baby when you lost your balls!

You lost your mind

When you lost your grip

So say bye-bye!

We've lost our home

Our family

You've lost compassion

Now you're losing me.

Well the best thing you could ever do is die.

Well the best thing you could ever do is die.

Well the best thing you could ever do is die.
