

# Cat Power, Cherokee

Never knew love like this  
The wind, moon, the earth, the sky  
Sky so high  
Never knew pain like this  
Everything die, then die  
Never knew love like this  
The sun, the sea and I  
Never knew pain, never knew shame  
Now I know why

Bury me, marry me to the sky  
Marry, marry me to the sky  
Feels like time is on my time  
Bury me upside down  
Cherokee, kissing me  
When I?m, I?m going down  
Feels like time is on my time  
Bury me upside down  
Cherokee, kissing me  
When I?m, I?m going down

Never knew love like this  
The wind, moon, the earth, the sky  
Sky so high  
Never knew pain like this  
Everything die, then die  
Never knew love like this  
The sun, the sea and I  
Never knew pain, never knew shame  
Now I know why

Bury me, marry me to the sky  
Marry, marry me to the sky  
Feels like time is on my time  
Bury me upside down  
Cherokee, kissing me  
When I?m, I?m going down  
Feels like time is on my time  
Bury me upside down  
Cherokee, kissing me  
When I?m, I?m going down  
Feels like time is on my time  
Bury me upside down, down  
Cherokee, kissing me  
When I?m, I?m going down.
