

# Cat Power, Dark End Of The Street

At the dark end of the street  
That's where we will always meet  
Hiding in shadows where we don't belong  
Living in darkness to right our wrong

You and me at the dark end of the street  
You and me

I know time's gonna take its toll  
We have to pay for the love we stole  
It's a sin and we know it's wrong  
But our love keeps comin' on strong

Steal away to the dark end of the street

They're gonna find us  
They're gonna find us  
Someday they may come along and find us alone somewhere

You and me at the dark end of the street  
You and me

And when the daylight cover rolls around  
And if by chance we're both taken in and taken downtown  
But if we should meet before then, then just walk on by  
Oh, sweet baby, please don't you cry

Cuz tonight we'll share the same dream  
At the dark end of the street  
You and me  
You and me  
You and me

At the dark end of the street
