Cat Power, It Ain't Fair

People

All around me

But I don't even

Have a friend

Lord knows

I been trying

And he knows

I just can't win

Everything I do

Yeah

Seems to turn

Out wrong

Sometimes

I wish now

That I never

Been born

Whoa

Nobody

Nobody cares

Nobody cares

Baby

You know

I've had my share

Just ain't fair

(Just ain't fair)

Just ain't fair

(Just ain't fair)

Some folks

Got it easy

They live

The life of love

And play

Lord knows

I got

To struggle now

Trying

To make my way

Yeah

I'm walking all day

I'm gonna

Reach the town

I believe

I hope

I can make it yeah

Beacuse my feet

Ain't gonna

Let me stop

Talking about

Jesus

Nobody

Nobody cares

Nobody cares

Baby

I've had my share

Just ain't fáir

Just ain't fair

It just ain't fair

It just ain't fair

It just ain't fair

I've had my share
