

Cat Power, The Leopard & The Lamb

Cat Power

Miscellaneous

The Leopard & The Lamb

When the leopard

And the lamb

Sleeping hand in hand

Hey come outside

Let's make a memory

Hey step outside

Let's make a memory

When the leopard

And the lamb

Sleeping hand in hand

With the cold wind

Blowing

There's no way of knowing

Just where we're going

When the leopard

And the lamb

Sleeping hand in hand
