

# Cat Power, The Leopard & The Lamb

Cat Power  
Miscellaneous  
The Leopard & The Lamb  
When the leopard  
And the lamb  
Sleeping hand in hand

Hey come outside  
Let's make a memory  
Hey step outside  
Let's make a memory

When the leopard  
And the lamb  
Sleeping hand in hand

With the cold wind  
Blowing  
There's no way of knowing  
Just where we're going

When the leopard  
And the lamb  
Sleeping hand in hand
