

Cat Power, Y Is Here

If you want
Money in your pocket
Top hat on your head
Hot meal on your table
And a blanket
On your bed
Come to new york city
And I'm leaving on a train
If you want stay behind, wait until
I'll come back again
Because all our dreams come true
All our dreams come true
One, two, three, four

Today's grey skies
And tommorow
And tommorow
Empty all (?)
The moon is up before me
The moon is shining bright
I want you to remember
As I disappear tonight
Today's grey skies
And tommorow
And tommorow
And tommorow
