

Cat Stevens, I'm So Sleepy

I'm so sleepy, yeah
I'm so sleepy, yeah
I could lay my head on a piece of lead
and imagine it was a springy bed
'cause I'm sleepy, sleepy

soon I'm gonna slip away
in the night I feel it creeping, creeping, creeping

I'm so sleepy yeah
I'm so sleepy yeah
I could lay my head on a piece of lead
and imagine it was a springy bed
'cause i'm sleepy, sleepy

I can't keep my mind away from my dreams,
I hear them calling, calling, calling
Soon I'm gonna slip away
Soon I'm gonna slip away
Soon I'm gonna slip away
in the night I'm gonna slip away
I wont fight it, I'll just ride it

I'm so sleepy yeah
I'm so sleepy yeah
I could lay my head on a piece of lead
and imagine it was a springy bed
'cause I'm sleepy, sleepy
yeah
