Later, I want to talk it out with you Try to get my message through That's not all I want to do Later

Later, I want to feel your body close From your head down to your toes Maybe help you fold your clothes Later

I want to spread the news, don't want to soft soap you We're meant to live and love together girl . . . Oh babe There's nothing I can do, oh darling I love you There's no way you can stay home, alone, babe Later

I want to talk it out with you Try to get my message through That's not all I want to do Later

Later...
