

Cat Stevens, Shift That Log

Why don't you come over?
It's lonely at the wooden lodge
Why don't you come and see our baby?
You haven't seen her for so long
Come on baby, shift that log
Come on baby, wash that dog
Give me all the love you've got, to me
Come on baby, shift that log
Come on baby, wash that dog
Give me all the love you've got, to me
There in the back woods
We had our little piece of land
But everything wasn't so groovy
Not when you had to dirty your hands
Come on baby, shift that log
Come on baby, wash that dog
Give me all the love you've got, to me
Come on baby, shift that log
Come on baby, wash that dog
Give me all the love you've got, to me
It's lonely at the wooden lodge
So, why don't you share my bed?
Come on baby, shift that log
Come on baby, wash that dog
Give me all the love you've got, to me
Come on baby, shift that log
Come on baby, wash that dog
Give me all the love you've got, to me
