

# Catalin Josan, Walking On Fire

Baby,when you hold my hand  
there's something I don't understand  
it feels like all the world is crumbling down  
and when you put your lips on mine  
the moon is falling from the sky  
fireworks explode inside of me  
so can you feel how I'm burning,baby  
you're so hot that you blown my mind

I'm walking on fire  
going down down down down  
I'm walking on flames  
when I'm with you  
I'm walking on fire  
going down down down down  
I'm walking on flames  
I'm so in love with you

Baby when you talk so sweet  
the planet shakes under my feet  
it feels just like an earthquake in my heart  
and everytime you touch my skin  
a million bumps explode  
with them everything inside me falls apart  
so can you feel how I'm burning,baby  
you're so hot that you blown my mind

I'm walking on fire  
going down down down down  
I'm walking on flames  
when I am with you  
I'm walking on fire  
going down down down down  
I'm walking on flames  
I'm so in love with you

so can you feel how I'm burning,baby  
you're so hot that you blown my mind

I'm walking on fire  
going down down down down  
I'm walking on flames  
when I am with you  
I'm walking on fire  
going down down down down  
I'm walking on flames  
I'm so in love with you  
I'm walking on fire  
going down down down down  
I'm walking on flames  
when I am with you  
I'm walking on fire  
going down down down down  
I'm walking on flames  
I'm so in love with you
