

# Catatonia, Mulder And Scully

I'd rather be liberated, I find myself captivated  
Stop doing what you, keep doing it too  
I'd rather stay bold and lonely, I dream I'm your one and only  
Stop doing what you, keep doing it too  
Things are getting strange, I'm starting to worry  
This could be a case for Mulder and Scully  
Things are getting strange, now I can't sleep alone  
I'd rather be jumping ship, I find myself jumping straight in  
Stop doing what you, keep doing it too  
Forever be dozy and dim, I wake myself thinking of him  
Stop doing what you, keep doing it too  
Things are getting strange, I'm starting to worry  
This could be a case for Mulder and Scully  
Things are getting strange, now I can't sleep alone  
Here my bed is made for two and there's nothing I can do  
So tell me something I don't know  
If my head is full of you, is there nothing I can do?  
Must we all march in two by two by two?  
And as for some happy ending, I'd rather stay single and thin  
Stop doing what you, keep doing it to me  
Things are getting strange, I'm starting to worry  
This could be a case for Mulder and Scully  
Things are getting strange, now I can't sleep alone here  
Things are getting strange, I'm starting to worry  
This could be a case for Mulder and Scully  
Things are getting strange, now I can't sleep alone  
So what have you got to say about that?  
And what does someone do without love?  
And what does someone do with love?  
And what have you got to say about that?
