

# Catatonia, Road Rage

If all you've got to do today is find peace of mind  
Come round you can take a piece of mine  
And if all you've got to do today is hesitate  
Come here, you can leave it late with me  
You could be taking it easy on yourself  
You should be making it easy on yourself  
'Cause you and I know it's all over the front page  
You give me road rage racing through the best days  
It's up to you boy you're driving me crazy  
Thinking you may be losing your mind  
If all you've got to prove today is your innocence  
Calm down, you're as guilty as can be  
If all you've got to lose alludes to yesterday  
Yesterday's through, now do anything you please  
You could be taking it easy on yourself  
You should be making it easy on yourself  
'Cause you and I know it's all over the front page  
You give me road rage racing through the best days  
It's up to you boy you're driving me crazy  
Thinking you may be losing your mind, you're losing your mind  
You, you've been racing through the best days  
You, you've been racing through the best days  
Space age, road rage, fast lane  
And if all you've got to do today is find peace of mind  
Come here, you can take a piece of mine  
You could be taking it easy on yourself  
You should be making it easy on yourself  
'Cause you and I know, it's all over the front page  
You give me road rage racing through the best days  
It's up to you boy you're driving me crazy  
Thinking you may be losing your mind  
But you and I know, we all live in the space age  
Coming down with road rage, racing through the best days  
It's up to you boy you're driving me crazy  
Thinking you may be losing your mind  
It's not over, it's not over, it's not over  
It's not over, it's not over, it's not over  
You and I know we all live in the space age  
You give me road rage, racing to the best days  
It's up to you boy you're driving me crazy  
Thinking you may be losing your mind, losing your mind  
Losing your mind, you're losing your mind  
Losing your mind, you're losing your mind  
Losing your mind, you're losing your mind  
Losing your mind, you're losing your mind
