Catatonia, Why I Can't Stand One Night Stands

You're adamant So loose limbed I give in Although your bed is warm The worn springs they creak of regret And lust is the thief who steals away While we were sleeping Now you're doing my head in The lines, the blinds are drawn We are intimate strangers I'm reborn, it's a false dawn Where we've been? I forget And Saturday's fuss is just small town lust It's me I'm cheating Now you're doing my head in And Saturday's fuss is just small town lust It's me I'm cheating Now you're doing my head in Now you're doing my head in
