

Catch 22, Lost

You're lost again

[verse 1]

Try to keep your head above the water

Better take a deep breath cause it aint over yet

Your lies harder to swallow

Better take a good look at the fishermans hook

[chorus]

All this time you've been lost

All this time you've been lost

You're lost again You're lost again

You're lost again You're lost again

[verse 2]

Try to work your way out of the darkness

Try to see the light burning in the night

Your eyes could see tomorrow

Open them up wide you dont even try

[chorus]</i> [bridge]

[verse 3]

Try to find your way out of the darkness

You stumbled then you fell

In a darkened world you dwell

Your life is in front of you

You just sit and stare and watch it vanish in thin air

[chorus]
