

# Catherine Feeny, Forever

To tell you the end of the tale  
Would be cheating  
But I can say that without fail  
Love has been fleeting

But I know you  
Don't want the truth  
So I'll say forever  
Cause I have learned  
That where love is concerned  
Sometimes a lie is kind

And I can't give you anything  
That I'm scared of losing  
But days go by  
And I feel my four walls are crumbling  
Cause I'm ugly inside  
You make me beautiful

But I know you  
You don't want the truth  
So I'll say forever  
Cause I have learned  
That where love is concerned  
Sometimes a lie is kind
