

Catherine Wheel, High Heels

No more noise this year
I'll wear my highest heels
What am I to do?
I'm a bad decision maker

Is it still confused
I know the truth
Beneath this tree
It blooms

I'm a hopeless case
It multiplies
I can I count your tears
This time

I know
This time
Don't criticize

All I have to do
Is get inside of you
I'll wear my highest heels
And I know how it feels

Is it still confused
I know the truth
Beneath this tree
It blooms

I'm a hopeless case
It multiplies
Can I count your tears?
This time

Don't criticize
Don't don't don't criticize
Don't don't don't don't criticize

I know
This time
Don't criticize

I know
