

Catherine Wheel, She's My Friend

I'm only waiting, 'cause she won't care
Shivers, shakes, and shallow
Hide the taste that's always there
I can say she makes no sense
My dreams are not drawn on much
'Cause she's my friend
'Cause she's my friend
'Cause she's my friend - oh
'Cause she's my friend - oh
'Cause she's my friend - oh
'Cause she's my friend
I found you in a garden in my sleep
But I'm walking over gravel
Forming blisters on my feet
You give me all the reasons that make no sense
I only choose to be here
'Cause she's my friend
'Cause she's my friend
'Cause she's my friend - oh
'Cause she's my friend - oh
'Cause she's my friend - oh
'Cause she's my friend
Oh, oh, oh, oh...
'Cause she's my friend - oh, oh, oh, oh
'Cause she's my friend - oh, oh, oh, oh
'Cause she's my friend - oh, oh, oh, oh
'Cause she's my friend - oh, oh, oh
