

# Cathy Dennis, Being With You

Doo doo doo doo  
Doo doo doo doo  
Doo doo doo doo  
Doo doo doo doo  
Hold me in your arms  
Tell me that this love  
Will always be  
Whisper in my ear  
Things that only you and I  
Should hear  
Through the storms of life  
We toss and turn  
Tryin' hard to break us down  
But I could face the hurt of anything  
Just as long as you're around  
'cos being with you  
Even the rainy days seem fine  
You are an angel in my mind  
Being with you  
Even the rainy days seem fine  
You are an angel in my eyes  
All I ask of life  
Is to let me near you  
Con-stant-ly  
Only in my dreams  
Had I known how good  
Real love could be  
Through the storms of life  
We toss and turn  
Tryin' hard to break us down  
But I could face the hurt of anything  
Just as long as you're around  
'cos being with you  
Even the rainy days seem fine  
You are an angel in my life  
Being with you  
Even the rainy days seem fine  
You are an angel in my eyes  
You make me feel so good  
Y'know it baby  
Like only lovers should  
Come do it baby  
Being with you  
Even the rainy days seem fine  
You are an angel in my life  
You are an angel in my life  
Being with you  
Even the rainy days seem fine  
You are an angel in my eyes  
You are an angel baby  
Being with you  
Even the rainy days seem fine  
You are an angel in my life  
Even the rainy days  
You are an angel baby  
Being with you  
Even the rainy days seem fine  
You are an angel in my eyes  
Even the rainy days  
Being with you  
Even the rainy days seem fine  
You are an angel in my eyes  
You are an angel baby  
Being with you

And on and on and on  
Being with you  
Being with you  
You are an angel in my life
