

# Cathy Dennis, Don't Take My Heaven

Pah pah pah pah pah  
Pah pah pah pah pah  
Pah pah pah pah pah  
Pah pah pah pah pah  
I'm begging you  
Pleading with you  
Down on my knees  
Don't take my heaven  
Don't say it please  
Don't take my heaven away  
Doo doo doo doo doo dah doo  
Don't take my heaven away  
Pah pah pah pah pah  
Just cos you're the lucky one  
It's you who can choose  
Don't shoot me down  
Don't shoot me down  
No no  
Don't kill my youth  
I know that she seems fresh and new  
But no one else could love you  
Quite the way I do  
Ohhh don't you know I do  
Don't take my heaven away  
Stay with me don't let me down  
What could you want when she's around?  
Don't take my heaven away  
Don't be a fool unto yourself  
How could you want somebody else  
Don't take my heaven away  
Heeeeeey  
Hey hey hey  
My heaven  
And when she kicks you ot her door  
I might not want to love you anymore  
Pah pah pah pah pah  
I'm begging you baby  
Please  
Don't take my heaven  
Don't take my heaven away  
Stay with me don't let me down  
What could you want when she's around?  
Don't take my heaven away  
Heeeeeey  
Heeeeeeeey  
My heaven  
Ooooooh  
Pah pah pah pah pah  
Pah pah pah pah pah  
Pah pah pah pah pah  
Pah pah pah pah pah  
Pah pah pah pah pah  
Pah pah pah pah pah
