

# Cathy Dennis, The Date

Aaaah aaaah  
Ah ah ah  
Aaaah aaaah  
Aah aah aah  
Aaaah aaaah  
Ah ah ah  
Aaaah aaaah  
Aah aah aah aah  
I spent a good three hours a day  
Crawling around on my knees  
Just to be the perfect reflection for you  
Well I hope I satisfy your needs  
I learned the quotes of Oscar Wilde  
I memorised most of them  
So you can be assured I won't let you down  
When you take me out to meet your friends  
Bend me shape me  
But take care you just might break me  
One step forward and two steps back  
I stare at the mirror and the mirror stares back  
It's saying just be yourself and act how you feel  
It really isn't such a big deal  
It's only a date  
Smudges in my make-up  
Slip slide in my shoes  
Tryin' to keep my dignity intact  
I ask "Please may I be excused";  
I bought a gown from Calvin Klein  
And shoes from Christian Lacroix  
I'd do anything not to show you up  
But I hope I haven't gone too far  
Bruise me use me  
But take care you just might lose me  
One step forward and two steps back  
I stare at the mirror and the mirror stares back  
It's saying just look at you all flushed and confused  
You shouldn't get in such a state  
It's only a date  
Aaaah aaaah  
Ah ah ah  
Aaaah aaaah  
Aah aah aah  
And then a voice cried out from the mirror  
As I was standing next to the bar  
Are you absolutely sure you wanna look that way?  
An accesory to match with his car.  
Bruise me use me  
[Use me like you do]  
But take care you just might lose me  
Bend me shake me  
But take care you just don't break me  
One step forward and two steps back  
I stare at the mirror and the mirror stares back  
It's saying just look at you all flushed and confused.  
Excuse me if I seem amused.  
One step forward and two steps back  
I stare at the mirror and the mirror stares back  
It's saying just look at you all flushed and confused.  
You shouldn't get in such a state  
It's only a date
