

Catie Curtis, Gave Me Love

You kept an eye on me
I ran from the blue men out on the beach
I saw you everywhere
I did not know why you'd still care
I was push
You gave me love
I was shove
You gave me love
I was turn
You gave me love
I was cool
You gave me love
You gave me love
You saw me drive too fast
Burning teardrops falling on my lap
I could not see the road
And how you followed I'll never know
I was go
You gave me love
I was gone
You gave me love
I was turn
You gave me love
I was wrong
You gave me love
You gave me love
And I can tell you it's more than a dream
Don't give up on me now
And I can tell you it's more than a dream
Don't give up, hey, hey
I am here
I'll give you love
I am home
I'll give you love
I am stay
I'll give you love
I'm afraid
But I'll give you love
I am here
I'll give you love
I am home
I'll give you love
I'll give you love
