

# Caught in the act, My arms keep missing you

my arms keep missing you  
who's been kissing you  
since you went away  
my arms keep missing you  
I keep wishing you'd come back today  
you know I've been so lonely every night  
since you went away  
would you let me down any night  
is that the way you're made girl?  
I keep telling myself it's all right  
even though I cry  
there's no question why  
how could be happy when  
you said you wouldn't hurt me any way  
and I believed in you  
we said we'd trust each other every day  
we'd never be untrue  
but I keep thinking you're telling lies  
even though I try  
there's no question why  
how can I be happy when  
you know I've been so lonely every night  
since you went away  
would you let me down any night  
is that the way you're made girl?  
I keep telling myself it's all right  
even though I cry  
there's no question why  
how can I be happy when  
my arms keep missing you
