

# Cauterize, Closer

There's nothing that I can say  
to make you want to stay here with me forever.  
There's nothing that I can do to make you want me like I need you to.  
I need you to.

[CHORUS]

Just give me one last chance to say this.  
Just give me one last chance to say  
what's on my mind cause I will get it right.  
If I could only get my head above the water for a moment of your time.  
But you seem so strong and I can't hold my breath no longer.  
If you've ever tried to scream under water  
You'll choke.

**YOU'LL CHOKE.**

You said I always sang too loud to sing you a love song.  
Well I save my soft voice for the things I really mean.  
You always said I had a hard time saying what's on my mind.  
Well, here it goes: I hate you for what you've done to me.

[CHORUS]

When the last word's been said and the last tear's been shed,  
I will miss you, miss you my friend.  
And I can't tell you lies.  
Even after all these years I still cry.
