

# Cauterize, Love In The Attic

Time will tell I'm not well  
Take me to the attic  
Lock me up show me hell  
Just let me have it  
You are the sweetest thing  
You're always taking care of me  
It took the softest hands  
To put me back together again  
She loves to dance in the rain  
It's the sound of it that makes her wet  
She melts when I say her name  
Pin her to the wall and say  
Use me baby  
Abuse me maybe tie me to the bed post  
And leave for a few days  
Tell me you love me  
As you torture and taunt me  
Make me hurt so bad  
That it has to feel good when you stop  
Show me all don't you hide  
Tell me all your secrets  
It's ok don't be shy  
We're all a little twisted  
You are the cutest thing  
You're always looking out for me  
It took the greenest eyes  
To make me see the beauty again  
And if you really love me  
You would do all this to show me  
This might be the only way  
That I can feel again  
You are the sweetest thing I have ever known  
Whisper me your secrets I won't tell, they'll never know  
You are the cutest thing I have ever seen  
Tell me all your dreams  
Can't tell what you mean to me
