The storm...
Ultra-violent coming with the storm
Your world...

Feel the agony, crawling on your knees
Feel the agony and the bloodshed
'Til there's nothing left to bleed
'Til there's nothing left to bleed
'Til there's nothing left to...

Your soul...

Feel the agony, crawling on your knees
Feel the agony and the bloodshed
'Til there's nothing left to bleed
'Til there's nothing left to bleed
'Til there's nothing left to...
