

# Cave In, Off To Ruin

Take a breather and I'll explain  
It's a wager that surely ends  
As you even the call of the 'be all and all'  
With a needle and penny bet

... name  
It kills me to know you're ...  
Know your...

Ahh

It's so cold in your...  
But the pain will go under..  
So you freeze in your tracks  
And you ...  
As the waves... lower than low  
But the needle is slow  
...will get cold  
Underneath and underground  
When you scream there's not a sound  
And away you go off to ruin

Blood will flow, my dear friend  
Dim the lights into perfect pitch black  
My conscience's ...  
Turning... into a ...

What surprises are still in store?  
What arises from in your...  
Know the demons won't talk  
'til you finally have...  
And away we go off to ruin

And away we go off to ruin
