

# Cavetown, frog

i'm on the edge of a sunset  
the soft of your brow  
rolling round like a piglet  
laid down like a cow  
i wanna tell you a secret  
just hear me out  
i only hope you still love me  
when you find out

i'm your frog  
kiss me better all night long

i'm gonna tell you you're pretty  
til it makes you sick  
floating out of the city  
when the tide comes in  
there's a curse that i'm under  
i'll teach you how to swim  
two amphibian lovers

i'm your frog  
kiss me better all night

yeah i'm your frog  
kiss me better all night long

i feel wrong  
my head's gone funny, princess  
but i'm your frog  
kiss me better all night long
