Heaven And Hell

Heaven can be cold,

Baby, baby, when you lose control.

Everybody needs someone to love -

Be careful in the night !

He can hurt you more

Baby, baby, as he did before.

Come on baby, keep your hands off him

In the gypsy night !

It will come and go.

Everybody knows.

You make your own - Heaven and hell -

Daytime lovers' love for sale.

You make your own - Heaven and hell -

Letters full of tears will tell.

He takes your heart - I know him well.

You've got no time to lose

For heaven and hell !

Behind the painted smile,

Baby, baby, he is running wild.

Everybody needs some love tonight,

Be careful in the night !

You don't wanna lose.

Baby, baby, it's a simply this.

Come on, baby, keep your hands of him

In the gypsy night !

It will come and go.

Everybody knows.

For heaven and hell !

For heaven and hell !
