Hollywood Nights

Daytime friends and nighttime fools

Oh, they're breaking golden rules.

Dreaming all that dreams come true,

Dreaming like the big guys do.

From a day in paradise

And a life without a lie,

Little dreams can go along, long way !

Don't stop these Hollywood nights !

Stand up and fight !

O-ho-ho, o-ho-ho

Hollywood nights !

Stop these Hollywood nights -

Know that it's right !

O-ho-ho, o-ho-ho

Hollywood nights !

Dreams are more than a little wish

Broken promise's maybe your reach

There is a will and there is a way

You'll build the pain another day

You can make it if you try

Don't give it up !

Oh baby, why ?

Little dreams can go along, long way !

O-ho-ho, o-ho-ho

Hollywood nights !

O-ho-ho, o-ho-ho

Stand up and fight !

O-ho-ho, o-ho-ho

Know that is right !
