I Can Lose My Heart Tonight

Take, your chance for paradise

I'm looking in your eyes

You might be mine tonight

Yeah, I'm feelin' like a fool

'cause you still act so cool

Spend the night with me

I can lose my heart tonight

If you're lonely, feel alright

This is just the night for me and you

I can lose my heart tonight

Are you lonely deep inside ?

There is something in the air tonight

I can feel it everywhere

There's magic in the air

You might be mine tonight

Yeah, I feel so hypnotised

I feel like paradise

I see heaven in your eyes

Take me in your arms

Hold me close tonight

Take my heart away

Take me to the night
