Stop Dragging My Heart Around

Save me when I hurt you !

Secret message, dangerous games,

Reach out - love is so proud.

It's the countdown to my dream,

It's a danger - you're a stranger.

Oh-oh, stop (Stop) dragging my heart around (around) !

I'm qualified too satisfied,

I'm qualified for love, my baby.

Stop (Stop) dragging my heart around (around) !

Close your eyes and count to ten,

I'm standing here again,

Oh baby, oh baby...

Save me from this heartline !

Oh, I'm looking through magic tears.

God knows all your love grows,

Oh, I'm feeling pain and fears.

It's a danger - you're a stranger
