Tears Won't Wash Away My Heartache

Oh, I sold my heart to you,

Babe, like all dreamers do.

Feel the shadows of a heartache.

Out of reach and out of touch,

If I give you, babe, so much.

Feel the shadows of a heartache.

All the restless world, I need my dream !

Someone save my life !

And I know what it means:

Tears won't wash away my heartache !

Tears won't wash away, tears won't wash away.

Tears won't wash away my heartache !

Tears won't wash away, tears won't wash away.

And I'm losing my dream - I'm praying to you.

Davie, oh Davie - I'm dreaming !

Davie, oh Davie - believe me !

Tears won't wash it away,

Oh, no wash it away

'Cause you get all my heart, babe.

Say farewell, don't say goodbye !

It's too late for a try.

Why can't we live together ?

Years may come and years may go.

Oh, you're hurt before you grow

In the shadows of a heartache.

I'll be afraid I'm losing you.

I'll go save my life babe.

Oh, you're making me blue !

Tears won't wash away my heartache

Oh, I sold my heart to you,

Babe, like all dreamers do.

Feel the shadows of a heartache.

Out of reach and out of touch,

If I give you, babe, so much.

Feel the shadows of a heartache.

Davie, oh Davie - I'm dreaming !

Davie, oh Davie - believe me !

Oh, no wash it away
